October 2026

Dear Parent/Carer

Trip to Salisbury Museum

As part of our Stone Age topic, Foxes class will be visiting Salisbury Museum to bring their history learning to life. During the visit, the children will explore how early people lived, hunted, farmed and created art, while learning about the important transition from hunter-gatherer communities to farming settlements during the Mesolithic and Neolithic periods. Through handling real artefacts and taking part in interactive activities, pupils will deepen their understanding of prehistoric Britain and develop key historical skills such as enquiry, observation and interpretation. This exciting experience will help the children make meaningful links between their classroom learning and the lives of people in the past.

As a parent/carers please be aware that school trips are always well organised with particular attention paid to health and safety. Understand that there can be no absolute guarantee of safety but appreciate that the trip leaders retain the same legal responsibility for children as they have at the school and will do everything that is reasonably practicable to ensure the safety of everyone on the visit.

Whilst on a trip, we are all ambassadors of Morgan's Vale and Woodfalls Primary and high standards of behaviour are expected. It is essential that your child demonstrates good listening to all instructions from staff. If your child's behaviour suggests that they will be unable to conform to these requirements, then their suitability to make the trip will be reviewed.
